

## Quick Tips to Stay Safe: Pre-Code/Code Blue on Inpatient Units

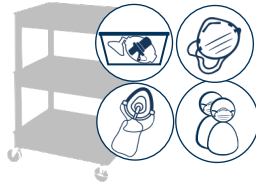

### 1 Get PPE Right

ALWAYS Don and Doff with a Coach

### 2 Call Early

For Rapid Response Cart (Airway Bucket, Non-Rebreather & N95 Masks) and HELP (i.e. Code Blue)

### 3 Must Know (Pre)Code AGMP

BMV, Chest Compressions and LMA

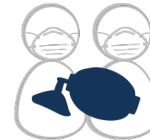

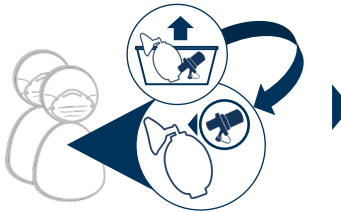

### 4 "Clear the Room & Close the Door"

ALL HCP MUST have an N95 on BEFORE AGMPs start

### 5 Bagging Musts

Filter from Airway Bucket MUST be used

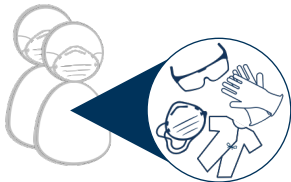

Use 2-person technique ASAP
