

Daily MD Assessment

Consider the following:

1. COVID Status

- Confirmed
- Probable
- Suspect

All COVID + patients are eligible for clinical trials. Get verbal consent to be contacted and document this in SCM admission note.

Trials? PAGER: 01815

2. Patient Isolation

Proper PPE protocols

To discontinue in SCM:
Enter Documents → Isolation
Discontinue COVID-19 Precautions

3. Mobility

Encourage daily

Movement is Good Medicine

4. Labs (SCM order set)

Review daily and order as indicated

5. Goals of Care

Reassess and update

6. Prognosis (on admission)

4C Mortality Score

7. Communication

- Patient
- Care partner

Department of Medicine
